

TRAIL MAP

The TREC trail system is a public trail designed to create recreational opportunities for Effingham County residents and visitors.

Trail Courtesy

- Bicyclists and other wheeled users should yield to pedestrians.
- Stay to the right except when passing.
- Always look ahead and behind before passing.
- Pass slower traffic on the left; announce passing.
- Move to the edge of the trail when stopped to allow others to pass.
- Yield when entering and crossing the trail.
- Use lights and reflectors at dawn or dusk, or when visibility is poor.
- Stay on paved surface or designated rest/parking areas.
- Always use proper safety equipment.

Prohibited Uses and Activities

- No unauthorized motor vehicles or all-terrain vehicles (ATVs) allowed on the bikeway at any time.
- No alcoholic beverages, illegal drugs, fireworks of any kind, or firearms allowed.
- No dumping of any kind, including grass clippings, branches or yard waste.
- No unauthorized marking permitted for any reason.

Trails Recreation Effingham County (TREC) is an organization formed in 2005 to serve as an advocate for recreational opportunities for Effingham County. The TREC Mission is to develop a county-wide, multi-use trail system, educate the communities on the benefits of trails, and promote an active lifestyle by providing recreational activities.
