

MADE IN EFFINGHAM – CRITERIA

#MadeinEffingham highlights our local makers – those who help shape Effingham with their unique craft. Please carefully review our criteria before submitting an application to be considered as one of our featured makers.

A wide variety of artisans, creators and businesses can be featured on #MadeinEffingham. All of our makers are unique, but the following criteria is what makes them true “Effingham Makers”...

1. Subjects must be “Effingham” through and through. They must reside in Effingham County and produce their crafts, products and wares in Effingham County.
2. Subjects must be willing to share parts of their process in the form of photos and video (either their own photos/videos or those taken by the Effingham CVB).
3. Small-batch operations will be favored over mass production. Possible exceptions are mass productions rooted in humble beginnings.
4. Makers should rely on local resources (whenever possible) when producing their wares.

The Effingham Convention and Visitors Bureau will carefully review all nominations and select those that best meet the criteria. Inclusion in the #MadeinEffingham program is at the sole discretion of Effingham CVB and its partners.

Thank you!
